## Not a Cigna Customer Yet?

You can still search for an in-network provider, but you'll need to select a plan first and you can't compare procedure costs.

### Choose a plan type to search:

- Plans through your employer or school
- Individual plans purchased from Cigna or healthcare.gov
- Medicare plans

**Step 3** Enter the geographic location you want to search, select one of the plans offered by your employer during open enrollment and enter a name, specialty or other search word. Click SEARCH to see your results.
